ABOUT TPK

TPK was founded solely for touch solutions in 2003. We are the inventor of transparent glass-based projected capacitive (P-Cap) touch solutions and the first company for mass production. Since 2Q 2010, TPK has expanded its touch product offering into PET-film based solutions. Our production sites are located in Xiamen City of Fujian Province, China. TPK is completely and vertically integrated for one-stop shopping for touch solutions.
