The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,002,100,932 Shares.

Subject to the passing of the ordinary resolution set out in item 8 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 2,002,100,932 Shares, the Directors would be authorised under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 200,210,093 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

In making repurchases, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and the laws of the Cayman Islands. The Company may not purchase shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange in effect from time to time.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2021) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

Year & Month	Highest HK\$	Lowest HK\$
2021		
March	0.86	0.66
April	0.75	0.65
May	0.77	0.64
June	0.72	0.60
July	0.70	0.62
August	0.69	0.56
September	0.69	0.56
October	0.66	0.53
November	0.60	0.50
December	0.59	0.46
2022		
January	0.65	0.50
February	0.61	0.57
March (up to the Latest Practicable Date)	0.60	0.51

6. GENERAL

To the best of knowledge of the Directors and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Island and the Articles of Association.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Far Eastern Silo & Shipping (Panama) S.A. and its controlling corporation, Eastern Media International Corporation were in aggregate interested in 600,630,280 Shares representing approximately 30.00% of the total issued share capital of the Company. In the event that the Directors exercise the proposed Share Repurchase Mandate in full, the aggregate shareholding of Far Eastern Silo & Shipping (Panama) S.A. and Eastern Media International Corporation would be increased to approximately 33.33% of the issued share capital of the Company. The Directors consider that such increase in shareholding would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
