INTRODUCTION

The purpose of this circular is to provide you with: (i) details of the Proposed General Mandate, the Proposed Repurchase Mandate and the Proposed Extension Mandate (collectively the “**Mandates**”); (ii) details of re-election of Directors; (iii) proposed final dividend; (iv) details of the Extension and the issue of Option Shares upon exercise thereof; and (v) the notice of the Annual General Meeting.

LETTER FROM THE BOARD

1. GENERAL MANDATE TO ISSUE SHARES AND ITS EXTENSION

At the Annual General Meeting, an ordinary resolution will be proposed to grant the Proposed General Mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares in the share capital of the Company up to (including any sale or transfer of treasury shares) 20% of the aggregate number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to such general mandate. In addition, subject to approval of the ordinary resolutions in relation to the Proposed General Mandate and the Proposed Repurchase Mandate, the number of Shares repurchased by the Company under the Proposed Repurchase Mandate will also be added to extend the Proposed General Mandate as set out in the resolution numbered 7 in the notice convening the Annual General Meeting.

As at the Latest Practicable Date, the Company had 7,915,662,048 Shares in issue (excluding any treasury shares). Subject to the passing of the ordinary resolution approving the Proposed General Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the exercise of the Proposed General Mandate in full would enable the Company to issue a maximum of 1,583,132,409 Shares, representing 20% of the issued Shares (excluding any treasury shares) as at the Latest Practicable Date. The grant of the Proposed General Mandate will provide the Directors with flexibility to issue Shares when it is in the interest of the Company to do so.

2. GENERAL MANDATE TO REPURCHASE SHARES

In addition, an ordinary resolution will be proposed to approve the granting of the Proposed Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the aggregate number of the issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to such general mandate. On the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 791,566,204 Shares which are fully paid-up.

An explanatory statement as required by the Listing Rules to be sent to the Shareholders in connection with the Proposed Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

LETTER FROM THE BOARD

3. RE-ELECTION OF DIRECTORS

By virtue of Article 17.18 of the Articles of Association, at every annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest to, but no less than, one-third) shall retire from office by rotation provided that every Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years. Following the review of the Board's composition by the Nomination Committee and based on the nomination policy of the Company, Mr. Zhang Ping, Mr. Sun Yugang and Mr. Lee Kong Wai, Conway were nominated to the Board for it to recommend to the Shareholders for re-election at the Annual General Meeting.

Pursuant to code provision B.3.4 of the Corporate Governance Code in Appendix 14 of the Listing Rules, where the Board proposes a resolution to elect an individual as an independent non-executive director at the general meeting, it should set out in the circular (among others): (i) the process used for identifying the individual and why the Board believes the individual should be elected and the reasons why it considers the individual to be independent; (ii) if the proposed independent non-executive director will be holding their seventh (or more) listed company directorship, why the Board believes the individual would still be able to devote sufficient time to the board; (iii) the perspectives, skills and experience that the individual can bring to the board; and (iv) how the individual contributes to diversity of the Board.

Mr. Lee Kong Wai, Conway has served as independent non-executive Directors for more than 9 years and re-election of him will be subject to a separate resolution to be approved by the Shareholders pursuant to the Listing Rules. The Company has received from each of the independent non-executive Directors, including Mr. Lee Kong Wai, Conway, a confirmation of independence pursuant to Rule 3.13 of the Listing Rules. As an independent non-executive Director with in-depth understanding of the Company's operations and business, Mr. Lee Kong Wai, Conway has expressed objective views and given independent guidance to the Company over the years, and he continues to demonstrate a firm commitment to his role. The Board considers that the long service of Mr. Lee Kong Wai, Conway would not affect his exercise of independent judgement and is satisfied that Mr. Lee Kong Wai, Conway has the required character, integrity and experience to continue fulfilling the role of an independent non-executive Director. The Board considers the re-election of Mr. Lee Kong Wai, Conway as an independent non-executive Director is in the best interest of the Company and the Shareholders as a whole. The Nomination Committee assessed and reviewed the independence of all independent non-executive Directors, including Mr. Lee Kong Wai, Conway who will be re-elected at the Annual General Meeting. The Nomination Committee is of the view that all independent non-executive Directors have satisfied all the criteria of independence set out in Rule 3.13 of the Listing Rules.

Further, Mr. Lee Kong Wai, Conway has been holding five listed company directorships in addition to the directorship as an independent non-executive Director of the Company. Mr. Lee Kong Wai, Conway attended all the meetings of the Board and the Board committees held in the past year. Details of his attendance records are set out in the corporate governance report of the Company. The relevant Board papers and materials were provided to the Directors for review and consideration prior to the meetings. Mr. Lee Kong Wai, Conway has remained responsible for his performance and discharged his duties to the Company through active participation on the Board and by bringing balance of views as well as knowledge, experience and expertise.

LETTER FROM THE BOARD

With Mr. Lee Kong Wai, Conway's extensive experience and knowledge, particularly on corporate governance acquired and developed from his background and past experience (including his directorships in other listed companies) as set out in the biographical information, he is fully aware of the responsibilities and expects time involvements as an independent non-executive Director. Mr. Lee Kong Wai, Conway has confirmed that he will continue to devote sufficient time for the discharge of his functions and responsibilities as an independent non-executive Director of the Company. Based on the foregoing, the Board believes that Mr. Lee Kong Wai, Conway's positions outside the Company will not affect him in maintaining his current role in, and his functions and responsibilities for, the Company.

The Nomination Committee has also reviewed and considered the respective experience, skills and knowledge of each Director to be re-elected, in particular those of (1) Mr. Zhang Ping in corporate finance and governance; (2) Mr. Sun Yugang in formulating corporate strategies and group development; and (3) Mr. Lee Kong Wai, Conway in the corporate governance and finance, and recommended to the Board that the re-election of all Directors mentioned in the foregoing be proposed for Shareholders' approval at the Annual General Meeting. In addition to the experience, skills and knowledge of Mr. Zhang Ping, Mr. Sun Yugang and Mr. Lee Kong Wai, Conway as mentioned above, the Board also considered that, with due regard of the Board's diversity policy, their cultural, educational background, age, gender and professional experience would contribute to the diversity of the Board.

All of the above Directors, being eligible, will offer themselves for re-election at the Annual General Meeting. The particulars of these Directors which are required to be disclosed by the Listing Rules are set out in Appendix II to this circular.

4. APPOINTMENT OF AUDITORS

As disclosed in the announcement of the Company dated 14 May 2025, Deloitte Touche Tohmatsu will retire as the auditors of the Company upon expiration of its current term of office at the conclusion of the Annual General Meeting.

The Board has resolved, with recommendation from the audit committee of the Company (the "**Audit Committee**"), to propose the appointment of KPMG as the new auditors of the Company following the retirement of Deloitte Touche Tohmatsu, subject to the approval of the Shareholders at the Annual General Meeting.

Deloitte Touche Tohmatsu has been the auditors of the Company for more than 10 years and the Board considers the rotation of its auditors after an appropriate period of time as a good corporate governance practice.

An ordinary resolution will be proposed at the Annual General Meeting to appoint KPMG as the external auditors of the Company to hold office from the conclusion of the Annual General Meeting until the next annual general meeting and to authorise the Board to fix its remuneration for the year ending 31 December 2025.

LETTER FROM THE BOARD

5. FINAL DIVIDEND

The Board has recommended a final dividend of RMB0.0122 per Share to be payable on or about Friday, 27 June 2025 to the Shareholders whose names appear on the register of members of the Company on Friday, 20 June 2025 subject to approval by the Shareholders at the Annual General Meeting and are payable in Hong Kong Dollars based on the official exchange rate of Renminbi against Hong Kong dollars as quoted by the People's Bank of China on Thursday, 12 June 2025.

6. PROPOSED EXTENSION OF UNLISTED OPTION AND ISSUANCE OF OPTION SHARES UNDER SPECIFIC MANDATE

As disclosed in the announcement of the Company dated 1 February 2024, Modern Farming Wuhe, China Agricultural, Anhui Suida and Modern Farming entered into a Capital Injection Agreement on 1 February 2024 (after trading hours), pursuant to which China Agricultural has subscribed for approximately 25.4% of the enlarged registered capital of Modern Farming Wuhe by way of Capital Injection in cash for the sum of RMB600 million into Modern Farming Wuhe. Completion of the Capital Injection took place on 8 February 2024.

In light of the strategic collaboration relationship between the Company and China Agricultural, the Company has entered into the Option Agreement with China Agricultural, pursuant to which the Company has granted an option to China Agricultural, after obtaining the approval from the Shareholders at the annual general meeting of the Company held on 12 June 2024 (the “**2024AGM**”), at the price of HK\$1.00 to subscribe for the Option Shares. The principal terms of the Option Agreement are set out below.

Date

1 February 2024 (after trading hours)

Parties

- (1) the Company (as the issuer); and
- (2) China Agricultural (as the subscriber).

To the best knowledge, information and belief of the Directors, having made all reasonable enquires, save for its interests in Modern Farming Wuhe and the Option, China Agricultural and its ultimate beneficial owners are independent third parties as at the Latest Practicable Date.

Number of Option Shares

The Company agreed to issue Option Shares to China Agricultural, and the exercise of Option shall be subject to the following threshold, whichever is lower: (i) the total subscription amount of the Option Shares by China Agricultural shall not exceed RMB600 million (or the equivalent amount in HK\$); or (ii) the total number of Option Shares subscribed by China Agricultural shall not exceed 6% of the total number of Shares of the Company in issue at the time of the exercise of Option.

The Option Shares shall, when fully paid, rank pari passu in all respects among themselves and with the Shares in issue on the date of allotment and issue of the Option Shares.

LETTER FROM THE BOARD

Exercise Period

The Option may be exercised during the 12 months period commencing on the day after the 2024AGM (“**Initial Exercise Period**”). As the Option was not exercised during the Initial Exercise Period as of the date of this circular, the exercise period shall be extended to being the 12-month period commencing from the date immediately after the Annual General Meeting approving the Extension (“**First Extended Exercise Period**”). If the Option is not exercised during the First Extended Exercise Period, the exercise period shall be further extended to being the 12-month period commencing from (i) the date immediately after the annual general meeting of the Company approving such extension, or (ii) if such annual general meeting is convened before the end of the First Extended Exercise Period, the date immediately after the end of the First Extended Option Period (“**Second Extended Exercise Period**”), together with the Initial Exercise Period and the First Extended Option Period, the “**Exercise Period**”). The total Exercise Period in which the Option may be exercised shall not exceed 36 months.

Exercise Price of the Option

The Subscriber shall be entitled to exercise the Option and subscribe for Option Shares, with the exercise price (“**Option Exercise Price**”) being calculated as follows:

Exercise price per Option Share = HK\$2.06 – the aggregate of the dividend per share paid by the Company after the date of the Option Agreement and before the exercise of the Option by China Agricultural.

There is no minimum amount of Option Exercise Price set out in the Option Agreement. The Option Exercise Price was determined on arm’s length basis between the Company and China Agricultural, and with reference to the total assets less current liabilities of the Company primarily (approximately HK\$3.11 per Share, based on the Company’s total assets less current liabilities as at 30 June 2023 divided by the then total number of issued shares of the Company), adjusted with regard to the following factors as at the time of entering into the Option Agreement: (i) the low trading price and volume of the Shares, (ii) the slow market recovery, downward trend of raw milk price and high costs experienced by the dairy industry, (iii) the valuation of the Shares in recent rounds of financing, including the placing of new Shares at a price of HK\$2.40 per Share under the general mandate which was completed on 27 January 2021 and the issue of consideration shares at a price of HK\$2.24 per Share under specific mandate which was completed on 29 November 2021, and (iv) the Subscriber’s assessment of the Group’s prospects considering the recent development of the Group’s financial and business position.

There is no arrangement for variation of the Option Exercise Price or the number of Option Shares in case the share capital of the Company has been altered.

As at the Latest Practicable Date, condition (1) had been fulfilled and China Agricultural may waive any of the remaining Option Conditions Precedent (except for condition (2)) and if the Option Conditions Precedent are not fulfilled or waived, the Option Agreement shall terminate unless otherwise agreed in writing by China Agricultural.

LETTER FROM THE BOARD

Exercise of Option

The Option may be exercised in whole or in part by the Subscriber by giving notice in writing to the Company stating that the Option is thereby exercised, the exercise price, the subscription amount, the designated entity to which the Option Shares should be allotted to, and the number of Shares in respect of which it is exercised, with a remittance for the total exercise price of the Option Shares to be settled within ten (10) Business Days after the Option Conditions Precedent have been fulfilled (or, if applicable, waived) and the exercise notice is received by the Company.

After the exercise of the Option, the Company shall allot and issue to China Agricultural (or its designated entity), and China Agricultural shall (or its designated entity shall) subscribe for the Option Shares on the next Business Day after all the Option Conditions Precedent have been fulfilled or waived and the remittance for the total exercise price of the Option Shares has been fully settled (the “**Option Closing Date**”). An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Option Shares on the Stock Exchange upon exercise of the Option.

LETTER FROM THE BOARD

Reasons for and Benefits of Entering into the Option Agreement and the Extension

As aforementioned, Modern Farming Wuhe, China Agricultural, Anhui Suida and Modern Farming entered into the Capital Injection Agreement on 1 February 2024, pursuant to which China Agricultural has subscribed for approximately 25.4% of the enlarged registered capital of Modern Farming Wuhe by way of Capital Injection in cash for the sum of RMB600 million into Modern Farming Wuhe. The strategic equity investment in Modern Farming Wuhe by way of Capital Injection signifies the recognition of China Agricultural of the Company's production capabilities, financial soundness, as well as the Company's growth potential.

In view of the strategic collaboration relationship between the Company and China Agricultural, the Option Agreement and the Extension allow China Agricultural to further share the Company's prospects, whereby strengthening the business cooperation between the two companies, broadening the diversity of investors and enhancing the Group's financial efficiency in terms of cost of funding and capital structure, and providing the Company with the capital support required for future expansion plan and materialization of its growth potential.

In view of the above, the Directors (including the independent non-executive Directors) consider that the Extension and the transactions contemplated thereunder, are fair and reasonable and on normal commercial terms based on arm's length negotiations between the Company and China Agricultural, and are in the interests of the Company and the Shareholders as a whole.

Use of Proceeds

Assuming all the Option are exercised, the maximum subscription amount will be RMB600 million (or the equivalent amount in HK\$) and the net proceeds (after deducting all applicable costs and expenses) arising from the Exercise of Option are estimated to be approximately RMB599 million.

The net proceeds from the exercise of Option is expected to be used for repayment of bank borrowings and as general working capital of Modern Farming Group. Since the amount of proceeds that may be raised will depend on the exercise of the rights attaching to the Option and the price of the Option Shares, which is not within the control of the Company, the proceeds that will actually be raised therefrom may not match with the Company's capital requirements or spending plan. The Company shall adjust its business plan from time to time accordingly.

11. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters, the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
By order of the Board
China Modern Dairy Holdings Ltd.
ZHAO Jiejun
Chairman

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

(A) SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company (excluding any treasury shares) comprised 7,915,662,048 Shares of nominal value of HK\$0.10 each.

Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 791,566,204 Shares, which are fully paid-up and represent 10% of the aggregate number of issued Shares of the Company (excluding treasury shares, if any) as at the date of the Annual General Meeting, during the period from the passing of the aforementioned resolution and ending on the earliest of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in a general meeting.

(B) SHAREHOLDERS' APPROVAL

The Listing Rules provide that all proposed repurchases of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval of a particular transaction or by a general mandate to the directors of the company to make such repurchases. The shares proposed to be repurchased by the company must be fully paid up.

(C) REASONS FOR THE REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the Stock Exchange. On the one hand, such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share. On the other hand, Shares repurchased and held by the Company in treasury may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Articles of Association, and the laws of the Cayman Islands. Share repurchase will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

As at the Latest Practicable Date, the Directors have no present intention to repurchase any Shares.

(D) FUNDING OF REPURCHASES

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

There could be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2024) in the event that the proposed Share repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing levels.

(E) THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Mengniu, being the Company's controlling Shareholder, and its concert party Future Discovery Limited, held an aggregate of 4,461,041,882^{Note} Shares, representing approximately 56.36% of the entire issued share capital of the Company (excluding any treasury shares) (Note: Among which up to 568,181,818 Shares have been lent to BOCI Financial Products Limited pursuant to a securities lending agreement dated June 8, 2023 entered into between Mengniu as lender and BOCI Financial Products Limited as borrower. As at the Latest Practicable Date, the number of Shares that had been lent to BOCI Financial Products Limited was 568,181,818), among which 3,214,962,513 Shares were held through Future Discovery Limited, a subsidiary of Mengniu.

In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Proposed Repurchase Mandate, the percentage of voting rights at a general meeting of the Company held by Mengniu and its concert party Future Discovery Limited would increase to approximately 62.62% of the issued share capital of the Company (excluding any treasury shares). The Directors anticipate that such proportionate increase will not give rise to an obligation to make a mandatory general offer under Rules 26 and 32 of the Takeovers Code.

The Directors have no intention to exercise the Proposed Repurchase Mandate to such an extent that will result in takeover obligations or the number of Shares in the hands of the public falling below the prescribed minimum requirement of 25% of the entire issued share capital of the Company (excluding any treasury shares).

(F) SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) has been made by the Company during the six months prior to the Latest Practicable Date.

(G) SHARE PRICES

The Shares are trading on the Stock Exchange and the highest and lowest traded prices for Shares recorded on the Stock Exchange in each of the twelve months immediately preceding the Latest Practicable Date were as follows:

Month	Highest traded Prices HK\$	Lowest traded Prices HK\$
2024

INTENTION STATEMENT REGARDING REPURCHASED SHARES

In the event that the Company repurchases Shares pursuant to the Proposed Repurchase Mandate, the Company will either (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made.

To the extent that any treasury shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions.

(H) UNDERTAKING

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention, if the Proposed Repurchase Mandate is approved by the Shareholders, to sell any of the Shares to the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchase pursuant to the Proposed Repurchase Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Proposed Repurchase Mandate is approved by the Shareholders.

Neither this explanatory statement nor the Proposed Repurchase Mandate has any unusual features.
