CONTINUING CONNECTED TRANSACTIONS WITH CRYSTAL

On 29 March 2018, the Company and CIGL entered into the Master Agreement in relation to the sale and purchase of knitted fabric manufactured and owned by the Group to Crystal on normal commercial terms and subject to and upon the terms and conditions contained in the purchase orders to be agreed between the relevant parties, setting out, among other things, the identity of the products, specifications, quantity, price, payment terms, delivery time, place of delivery and transfer of title.

As CIGL is a substantial shareholder of a non-wholly-owned subsidiary of the Company, and hence a connected person of the Company at the subsidiary level, transactions under the Master Agreement constitute continuing connected transactions of the Company under the Listing Rules. As the Board (including all the independent non-executive Directors) have confirmed that the transactions under the Master Agreement are on normal commercial terms and conducted in the ordinary and usual course of business of the Group, fair and reasonable and in the interests of the Company and the Shareholders as a whole, pursuant to Rule 14A.101 of the Listing Rules, the transactions under the Master Agreement and the proposed annual caps for such transactions are subject to the reporting and announcement requirements but are exempted from the circular, independent financial advice and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

THE MASTER AGREEMENT

Date	29 March 2018
Parties	(i) the Company (ii) CIGL
Continuing transactions	Pursuant to the Master Agreement, the Group and Crystal shall enter into the transactions relating to the sale and purchase of knitted fabric manufactured and owned by the Group on normal commercial terms and subject to and upon the terms and conditions contained in the purchase orders to be agreed between the relevant parties, setting out, among other things, the identity of the products, specifications, quantity, price, payment terms, delivery time, place of delivery, transfer of title and warranty period (if applicable).
Term and termination	The term of the Master Agreement commences on 1 April 2018 and continues until 31 March 2021, which will be automatically renewed for a further term of three years subject to compliance by the Company with any applicable requirements under the Listing Rules. The Master Agreement may be terminated at any time by either party after giving three months' prior written notice to the other party.
Price determination	The prices for the products will be determined among the parties from time to time on an arm's length basis and comparable to the prevailing market rates or at rates similar to those offered by the Group to independent third parties.

Historical Transaction Amounts

For each of the years ended 31 March 2016, 2017 and the year ending 31 March 2018, the aggregate sales of knitted fabrics from the Group to Crystal amounted to approximately HK\$653.6 million (audited), HK\$667.6 million (audited) for 2016 and 2017 respectively and estimated to be approximately HK\$903 million for 2018 (subject to audit).

Proposed Annual Caps

It is proposed that the annual caps for the transactions under the Master Agreement shall be HK\$2,000 million, HK\$2,000 million and HK\$2,000 million for each of the three years ending 31 March 2021 respectively. The proposed annual caps take into account: (i) the historical sales amount from the Group to Crystal for the three years ending 31 March 2018; and (ii) a steady and moderate growth for the coming years ending 31 March 2021. In addition, certain buffers have been incorporated to allow for the increase in sales volume and increase in price of products as anticipated by the management of the Company.

REASONS FOR AND BENEFITS OF THE TRANSACTIONS

The Group is principally engaged in manufacturing and trading of textile products.

Crystal is principally engaged in garment trading and manufacturing.

Members of CIGL is principally engaged in garment trading and manufacturing, and have been customers of the Group's knitted fabric for more than 10 years. The aggregate sales of knitted fabric manufactured or owned by the Group to Crystal amounted to approximately 9.4% and 11.1% of the Group's revenue for each of the years ended 31 March 2016 and 2017. As such sales to Crystal have represented an important source of revenue for the Group, the Directors consider that it is in the interests of the Company and the Shareholders as a whole for the Group to continue such sales.

The Directors (including the independent non-executive Directors) are of the opinion that the continuing connected transactions with Crystal contemplated under the Master Agreement were entered into: (i) in the ordinary and usual course of business of the Company; (ii) on normal commercial terms (on arm's length basis) or on terms no less favorable than those terms offered by the Group to independent third party for similar products in its ordinary and usual course of business; and (iii) the terms of the Master Agreement and the proposed annual caps are fair and reasonable. The Directors (including all the independent non-executive Directors) are also of the view that the continuing connected transactions and the proposed annual caps pursuant to the Master Agreement are in the interests of the Company and the Shareholders as a whole.
