

## 《Lineage M》 Traditional Chinese Version Plans to Launch Officially on December 11th

November 20, 2017

【News】 The cross-generation No.1 mobile game title 《Lineage M》, developed by South Korean game giant NCSoft and licensed to Gamania Digital Entertainment, has achieved several records in Taiwan mobile game market since its pre-registration on October 10th. 《Lineage M》 has reached over 540,000 subscribers on the first day of pre-registration and already accumulated 2,510,000 users as of November 19th. To fulfill the expectations from all the players, Gamania announced today that the company plans to launch 《Lineage M》 on both Apple and Google Play Store at 00:00 AM on December 11th, 2017.

The highly anticipated mobile game 《Lineage M》 traditional Chinese version will launch on December 11th.
